Our Unique Programs

ELDERS & CULTURAL PROGRAMS

Elder-in-Residence Program

Elders play an active role within the school by sharing cultural knowledge, teachings, language, stories, and traditional values. The program provides opportunities for children, youth, families, and staff to learn from the wisdom and guidance of Elders while strengthening cultural identity and intergenerational relationships.

Elders' Lunches

Regular gatherings that bring Elders together for nutritious meals, social connection, and community engagement.

Library & Cultural Learning Space

Our library features literacy activities, cultural teachings, storytelling, and opportunities to explore Indigenous knowledge and traditions. We are continually expanding our library offerings to reflect diverse voices, support classroom learning, and inspire our students' interests.

DID YOU KNOW?

Haisla Community School accepts students from Haisla membership and beyond.

Health & Wellness Programs

Our school offers weekly activities and programming that support learning, recreation, cultural engagement, wellness, and positive social development.

YOGA

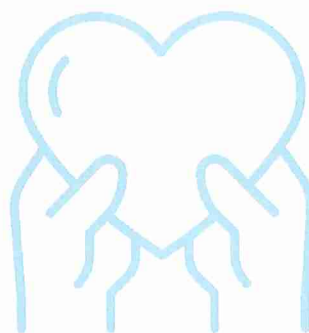

Promotes physical wellness, mindfulness, and healthy living for children and youth.

SWIMMING LESSONS

Provides opportunities for water safety education, skill development, and confidence building.

YOUTH COUNSELLING SERVICES

Confidential support is available for children on an as-needed basis, helping to promote emotional wellness and resilience.

OUR VISION:

To nurture students holistically through a cultural lens and support them in becoming confident, resilient, and independent lifelong learners.

Daily Meal Program

We offer a daily breakfast and lunch program at no cost to ensure every child is well-fed and ready to learn.

BREAKFAST PROGRAM

A healthy morning meal is provided to ensure children start their day nourished and ready to learn and participate.

LUNCH PROGRAM

Nutritious lunches are provided to support healthy growth, well-being, and consistent access to balanced meals for children and youth.

A monthly meal schedule is shared with families to plan accordingly. Starfish Packs are also provided to support food needs on weekends and school breaks.

DAY	BREAKFAST	LUNCH
n'áxwǰens Monday	Smoothies and Toast	Pork Chops and Rice

A sample menu of the meals provided free of charge to all children at Haisla Community School.

Our School: **Helping Every Child Thrive**

Haisla Community School is an elementary school in Haisla Village that blends modern education with Haisla culture. We welcome children from Haisla Nation and beyond.

Our school is a place for all children to be nurtured and grow with unique programming that meets the needs of many types of learners.

- 2:1 student-to-staff support model
- School counsellor
- Mental health supports
- Zones of Regulation
- Small teacher-to-student ratio
- Inclusive classrooms
- Strong family partnerships

Our school is a place
for all children to be
nurtured and grow...
